

*Application No. 09/818,914
Amndt. dated: June 13, 2005
Reply to Office Action mailed: June 03, 2005*

REMARKS:

Claims 1-63 remain pending in the application. Claims 1, 2, 5-7, 9, 15, 24, 28, 36, 37, 45, 46, 49, 53-55 and 57 have been amended. Consideration is requested.

The Office Action mailed June 3, 2005 held the amendment document filed March 24, 2005 to be non-compliant because it failed to meet requirements of 37 CFR 1.121 because claims lacked proper status identifiers and certain claims showing a "currently amended" contained no marked up changes. These latter errors appear to have resulted from a faulty facsimile transmission process and are regretted. Changes are shown correctly in the appended claims.

CONCLUSION.

It is believed this amendment properly presents all pending claims and consideration is requested. If there are any remaining issues that could be resolved by discussion, a telephone call to the undersigned attorney at (972) 862-7428 would be appreciated.
